

ALLEY GATOR

You will need:

- 11 green sticks
- 5 neon green sticks
- 1 yellow sticks
- 1 black stick
- 1 purple stick
- 1 white stick
- 4"x6" foil

Scissors

4

Step 4:

Cut 2 green sticks in half. Twist them together at both ends as shown.

6

Step 6:

Fold 1 green stick in half, and in half again. Roll two bumps at the ends of the folds as shown. Press into the top U shape.

8

Step 8:

Zig zag 3 green sticks across the back of the gator.

10

Step 10:

Fill in the sides with 1.5 green sticks applied lengthwise. Trim with scissors.

12

Step 12:

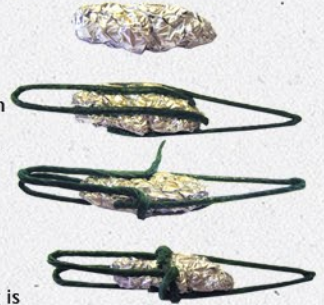

Cut several small pieces of white stick. Pinch them into points. Press them along the inside of the mouth.

1-3

Steps 1-3:

Crumple foil into the shape of a baby carrot. Fold 1 green stick in half. Press both sides against the foil, leaving a triangle at the end, as shown. Make 2 green sticks into U shapes. Press one against the top and one against the bottom of the foil. Fold the ends of the sticks around each other so that everything is connected in the middle.

5

Step 5:

Press the legs against the body.

7

Step 7:

Thread 1 green stick through the mouth of the alligator and press it down against the legs and tail.

9

Step 9:

Flip the gator on it's back. Fold 1 neon green in half, then in half again. Press it into the bottom U shape. Zig zag 3 more neon green across the belly.

11

Step 11:

Fold 1 purple stick into a long oval. Fold it into a U shape and press it into the mouth. Cut and roll 2 yellow eyeballs. Cut 2 small pieces of black for eyeslits. Press them on as shown.
