

## PONY

### You will need:

- 8 Black sticks
- 2 Yellow sticks
- 1 White stick
- 1 Neon Blue stick
- 1 Bendamodel™ figure

Crimper Cutters 

### 1

#### Step 1:

Wrap the Bendamodel™ figure with black sticks until it is completely covered (7 sticks). Make sure to remove the tail piece of the Bendamodel™ figure first.

### 2

#### Step 2:

Cut 1/4 stick pieces of black and coil up into small ears. Press onto the top of the pony's head.

### 3

#### Step 3:

Cut small pieces of yellow to add hooves and a snout on the front of the pony's face.

### 4

#### Step 4:

Use the rest of this yellow pieces to create the mane. Shred up thin strands and press onto the pony's head in between the ears.

### 5

#### Step 5:

Shred a 1/2 piece of yellow into thin strands and press onto the body to create the tail.

### 6

#### Step 6:

Use small pieces of white and blue to create eyes as shown.
