

PART 1

You will need:

- 13 Brown Bendaroos
- 13 Green Bendaroos
- 7 Blue Bendaroos
- 6 White Bendaroos
- 6 Neon Blue Bendaroos
- 4 Orange Bendaroos
- 4 Yellow Bendaroos
- 3 Red Bendaroos
- 3 Black Bendaroos
- Cardboard Toilet Paper Roll
- Crimper Cutter 

1

Step 1: Start by wrapping 2 brown sticks around the tube, and twist the ends together to form arms.

2

Step 2: Join 2 yellow sticks together into one extra-long yellow stick, wrap this around the tube, and twist the excess together at the front in between the two arms.

3

Step 3: Wrap 1 yellow stick around the tube long ways, tuck the excess inside the tube, and press down firmly. Do this on the opposite side of the tube also as shown.

4

Step 4: Use 2 brown sticks to make ears at the top of the tube as shown.

5

Step 5: Now start to cover the entire tube starting from the top. Wrap 2 white sticks, followed by 3 green sticks. Use 2 green sticks to form the outline of triangular eyes as shown.

6

Step 6: Use 5 blue sticks to fill in the areas around and underneath the eyes, working around the two brown arms. Use 1 1/2 black sticks to fill in the triangular area in between the eyes. Curl up the long yellow twist to form a beak.

7

Step 7: Continue to cover the tube: wrap 2 brown sticks, then 1 red stick, then 3 white sticks, then 1 red stick.

PART 2

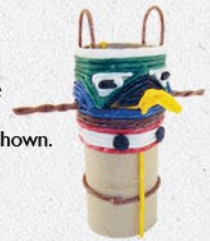

You will need:

- 13 Brown Bendaroos
- 13 Green Bendaroos
- 7 Blue Bendaroos
- 6 White Bendaroos
- 6 Neon Blue Bendaroos
- 4 Orange Bendaroos
- 4 Yellow Bendaroos
- 3 Red Bendaroos
- 3 Black Bendaroos
- Cardboard Toilet Paper Roll
- Crimper Cutter 

8

Step 8:

Use small pieces of black to make eyeballs on the white band. Fill in the eyes above with white, and add small pieces of black for eyeballs as shown.

9

Step 9:

Coil 1 orange stick inwards at both ends, and press onto the tube as shown. Use 3 more orange sticks to fill in the areas surrounding the orange coils.

10

Step 10:

Continue to wrap up the tube with 2 blue sticks then 2 brown sticks. Add 1 white stick - coiled in from both sides to form another set of eyes.

11

Step 11:

Use 6 green sticks to fill in the area between and around these eyes. Wrap 6 neon blue sticks around the tube to finish covering it completely.

12

Step 12:

Add small pieces of black for eyes, then cut up 1 red stick into 3 pieces, and use these to create mouths for each of the three faces. Use a small piece of white inside the mouth on the bottom face as shown.

13

Step 13:

Use 2 brown sticks on each side to make legs and feet by creating long oval-shaped coils. Press onto the sides of the tube.

14

Step 14:

Finally, use 1 more brown stick on each side to turn the arms into wings by zig-zagging each brown stick and pressing onto the arm as shown.
