Step 2:

Press 3 black sticks together. Press their ends around the folded shape, as shown. Pinch them together just above the folded portion.

4

Step 4:

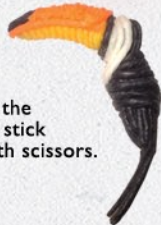

Press 1 white stick into a curved shape down the chest, and around the front of the head. Fill with another white stick. Extend the remaining stick from the center. Fold it back where indicated.

8

Step 8:

Zig zag the remaining black stick across the tip, trim with scissors. Zig zag 1 orange stick across the top half of the beak. Trim with scissors.

10

Step 10:

Cut 2 tiny specks of black stick and roll them into dots. Cut and roll 2 neon blue eyes. Press the eyes and the dots onto each triangle.

1

Step 1:

Twist 4 black sticks together, about an inch from one end. Fold the long end over to meet the twist, then fold once more.

3

Step 3:

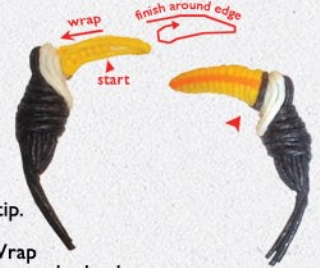

Roll the sticks over above the pinch to make a rounded shape. Wrap 3 more black sticks around the body, from the neck down.

5-7

Steps 5-7:

Wrap 1 yellow stick from the center of the white piece back toward the face. Fold the remaining yellow stick along the top and bottom of the beak. Wrap 2 more yellow sticks to cover from the face to the tip. Fold 1 orange stick around the beak, trim with scissors. Wrap a black stick where the face meets the beak. Trim with scissors.

9

Step 9:

Cut 1 orange stick into 4ths. Fold 2 of the pieces into orange spirals, then pinch them into triangles. Press onto either side of the face.

11

Step 11:

Cut 1/4 of a neon blue stick and fold it in half. Press it against the bird as shown. Cut off the ends and press them crossways to make claws.
